REASONS FOR ALLOWANCE

Regarding the allowance of Claim 3 -

The following is an examiner's statement of reasons for allowance: claim 3 recites an assembly for a floor structure for a machine with a cabin and also an assembly for a floor structure for a machine with a canopy. These are not considered as two distinct embodiments because with the exception of longer ribs to accommodate the stepwise portion for the canopy assembly it is the same floor mat used for both.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
